

Online Ordering – Follow these easy steps to place an order on your Mobile Device:

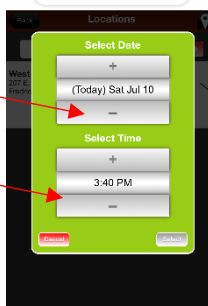

Step 1: Go to WestEndPizzaCompany.com and click the link to Order Online. Type in 78624 (zip code) and click the red arrow.

Step 2: Click on West End Pizza Company (yes, we only have one location but our service defaults to this screen)

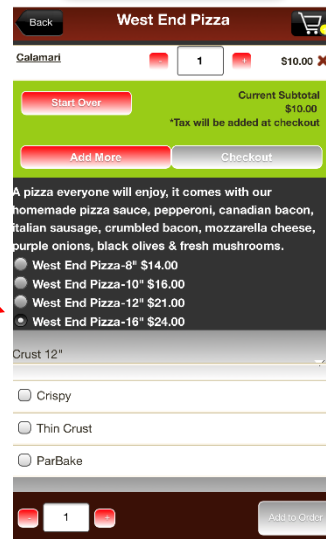

Step 3: Choose DATE and TIME for your order. (Note, you can order up to 5 days in advance) If times periods are unavailable, we already have orders for that time slot.

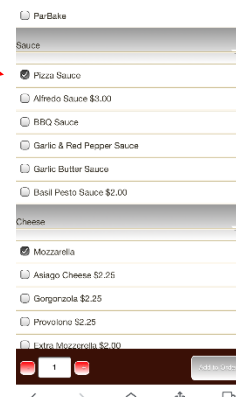

Step 4: Choose the menu category.

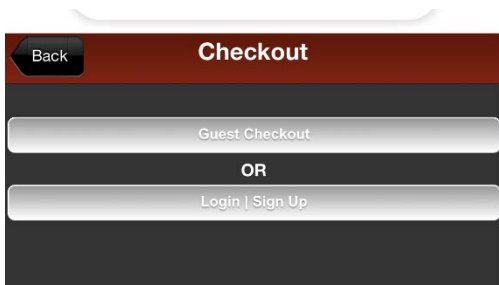

Step 5: Choose the item that you want to order.

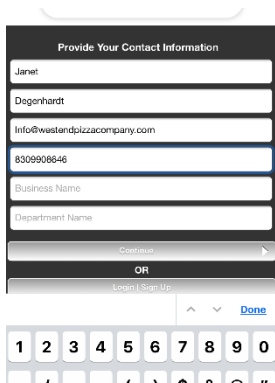

Step 6: View the items on the entrée/pizza you are ordering (they will be marked). Choose to remove them or add additional toppings. ADD the item to your order.

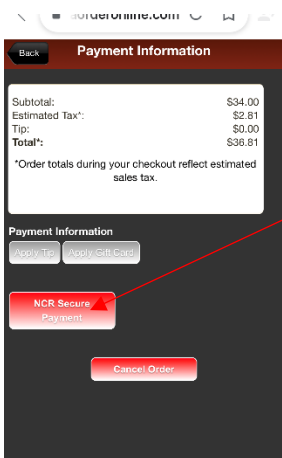

Step 7: Checkout. Choose Guest Checkout or Sign Up for an Account that will save all of your order and contact information for easy future orders!

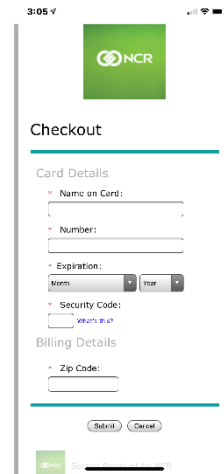

Step 8: Enter your Contact Information.

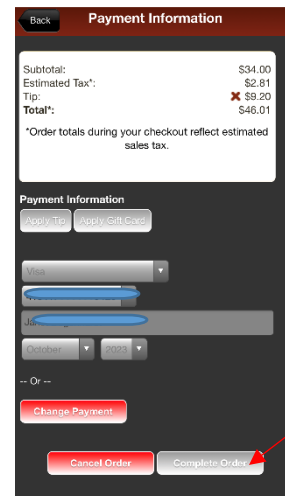

Step 9: Click on NCR Secure Payment

Step 10: Checkout with your Credit Card information and SUBMIT to authorize your card.

Step 11: After seeing that your Payment information has been pre-authorized, click COMPLETE ORDER.

Step 12: Order Receipt is confirmation that your order has been received and when it will be ready/delivered. You will also receive an email confirmation. Enjoy!
